Contents:

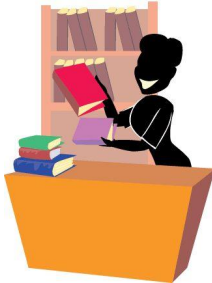

- 1. 40 word association cards with pictures for matching**
- 2. 40 categorization cards with pictures, 8 category jars for sorting, bonus cards, board game**
- 3. 40 attributes cards with pictures, attribute visuals, bonus cards, board game**
- 4. 10 blank firefly cards to make your own**

Directions:

- 1. Associations: play memory, go fish, or sort the firefly cards with the matching jar cards by association .**
- 2. Categorization: choose a firefly card and place it on the matching category jar while playing the board game. Shuffle the bonus cards (extra turn and lose a turn) with the firefly cards.**
- 3. Attributes: play the board game. Use the attributes templates to tell the five most important attributes of each object on the firefly cards. May also be played as a “guess the object” game.**
