Contents:

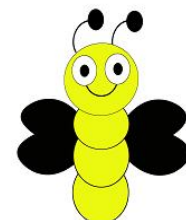

Player jars, net draw pile board, 40 multiple meanings of words firefly cards, ten blank cards to make your own, ten lose a turn cards.

Directions:

Print, cut out, and laminate one jar per player. Cut and laminate all cards. Shuffle firefly cards and lose a turn cards together and place on draw pile net. Each player draws a card and defines the target word in the sentence using the context to determine meaning. Use the definitions template to define each word, if desired. The players place the fireflies on their jars. The player with the most bugs at the end wins.
